CASSAVA TRICOT ABIA · YOUR REPORT

SEASON 2025

Your farm report 2025

Amina Yusuf · Umuahia · Package 1

Thank you, Amina! You sent 2 of 2 registrations. Your answers are part of the results below, and they make the advice for farms around you more reliable.

YOUR SEASON

Vegetative
6 weeks after planting

Harvest
12 months after planting

YOUR THREE OPTIONS

A
Game Changer
Place 3 of 6
28 of 100 points

B
Biggie
Place 1 of 6
57 of 100 points

C
Obasanjo-2
Place 5 of 6
15 of 100 points

The points show the chance that each of your three options is liked best, from the answers of 11 farms on overall preference. The three share 100 points.

YOU AND THE OTHERS

Trait	When	You said best	Most participants said
Germination	Vegetative	B Biggie	B Biggie agree
Vigour	Vegetative	B Biggie	B Biggie agree
Yield	Harvest	A Game Changer	B Biggie
Taste	Harvest	B Biggie	B Biggie agree
Overall preference	Harvest	C Obasanjo-2	B Biggie

YOUR OPTIONS IN THE RANKING

B	2	A	4	C	6

Most liked — Least liked

The ranking is based on 11 of 18 farms. With few answers the order is uncertain, especially in the middle. Every new answer makes it more reliable. The results are the farmers' own judgements, not measured yield. The tested options may not be released or available for some time.

Next step

Keep following the same plots A, B and C. The QR code takes you straight to the registration for your package.

CASSAVA TRICOT ABIA · YOUR REPORT

SEASON 2025

Your farm report 2025

Segun Ojo · Umuahia · Package 12

Thank you for your answers so far, Segun! You sent 1 of 2 registrations. We are missing **harvest** from you. See below what the others said about the same options.

YOUR SEASON

Vegetative
6 weeks after planting

Harvest
12 months after planting

YOUR THREE OPTIONS

A
Poundable
Place 6 of 6
13 of 100 points

B
Game Changer
Place 3 of 6
35 of 100 points

C
Baba-70
Place 2 of 6
52 of 100 points

The points show the chance that each of your three options is liked best, from the answers of 11 farms on overall preference. The three share 100 points.

YOU AND THE OTHERS

Trait	When	You said best	Most participants said
Germination	Vegetative	A Poundable	C Baba-70
Vigour	Vegetative	C Baba-70	C Baba-70 agree
Yield	Harvest	?	C Baba-70
Taste	Harvest	?	A Poundable
Overall preference	Harvest	?	C Baba-70

YOUR OPTIONS IN THE RANKING

1	2	3	4	5	6
	C	B			A

Most liked — Least liked

The ranking is based on 11 of 18 farms. With few answers the order is uncertain, especially in the middle. Every new answer makes it more reliable. The results are the farmers' own judgements, not measured yield. The tested options may not be released or available for some time.

Send your answers. It takes five minutes.

The more farms that answer, the more reliable the advice for your area.

1
Go to the field and look at plots A, B and C.

2
For each trait, say which was best and which was worst.

3
Scan the QR code. It takes you straight to the registration for your package.
